THE ART OF CHRISTMAS CELEBRATING. GIFTING. LIVING.

MEISSEN transforms the Christmas season into a vibrant celebration full of seduction and contemporary lifestyle. In the historic Albrechtsberg Castle in Dresden—one of the three famous Elbe castles—porcelain becomes poetry, telling the story of 315 years of craftsmanship, timeless design, and pure joie de vivre.

The art of Christmas is a sparkling universe of table and dining moments, thoughtful gifts, heartfelt gift ideas, and Christmas inspiration. Celebrate special moments with us and turn the Advent season into a sensory experience, because those who love give MEISSEN. Celebrate with us the art of enjoying life – stylishly and unforgettably.

SPARKLE-FILLED EXPERIENCES FOR CHRISTMAS – MEISSEN MOMENTS FOR YOUR LOVED ONES

When the season of love begins, a special magic fills the winter air. Sparkling lights, candlelight, and familiar scents create an atmosphere of comfort and warmth. Christmas invites us to pause, feel closeness, and share the most precious moments with the people we hold dear. It is a time when we hold our loved ones close and let time stand still. This year, prepare very special gifts: moments of joy, wonder, and deep love with MEISSEN.

The MEISSEN experience combines the finest craftsmanship, cultural heritage, and stylish enjoyment to create unforgettable moments—whether on an exclusive Behind-the-Scenes Manufactory Tour through the production facilities, a visit to our demonstration workshop, creating your very own MEISSEN works of art, or discovering our porcelain, which is showcased in a modern setting in our inspiring flagship store. Every MEISSEN moment tells a story of elegance, vitality, and sophistication. This Christmas, give the most precious gift of all: time together and unique experiences. Gifts that touch hearts and create lasting memories. Gift the pleasure of MEISSEN moments.
