SENSUAL INDULGENCE  
MEETS UNSURPASSED  
CRAFTSMANSHIP

What do MEISSEN porcelain and the Lindt Maîtres Chocolatiers have in common? Quite clearly: the love of the sweetest of all temptations - chocolate! United by their passion for the highest craftsmanship, perfect design and sensual enjoyment, Lindt and MEISSEN have come together in an extraordinary cooperation. For a limited special edition of Lindt HOCHFEIN Pralinés, MEISSEN has taken on the design of the gift packaging. Of course, the special edition of HOCHFEIN Pralinés will be complemented by an exclusive porcelain series in the same design. Noble chocolate platters, mugs, espresso cups & saucers tempt to sinful pleasure. The series is crowned with a strictly limited 12-piece MEISSEN® Cosmopolitan service, which is just waiting to whisk you away into a world of exotic sensuality.

DESIGN MADE BY MEISSEN  
LENA HENSEL  
HEAD OF PRODUCT DESIGN

What inspired you in the development of the Lindt x MEISSEN "Sweet Exotics" decor?

*For the cooperation, I was inspired by Meissen decorations that go back to the naturalist Maria Sybilla Merian. Merian was a fascinating and courageous woman who was far ahead of her time and who, with her complete works, has significantly influenced porcelain painting in Meissen since the 18th century.*

What makes the decor so special for you? And which is your favorite piece of the collection?

*I just love the interplay of all the colors of these selected motifs, which give a very beautiful and sensual modernity. The charm of this decor lies for me in the overall composition, the sparkling colors and the joy of life radiating from it. The hand-painted service has become very special noble, in every detail a work of art!*

How long does it take to develop such a decor from the initial idea to the finished product?

*We worked on Lindt x MEISSEN for a total of 1.5 years. The design process was completed earlier, of course, but we also accompanied the craftsmanship until everything was perfect.*

CRAFTSMANSHIP  
IN PERFECTION

Golden cocoa beans glow in touching beauty with lush feather poppy blossoms, iris flowers and sun-ripened figs, surrounded by delicate butterflies. MEISSEN designer Lena Hensel was inspired by drawings by the naturalist Maria Sibylla Merian (1647-1717), which she made during a trip to Surinam. Experienced porcelain painters bring the exotic motifs to life in delicate hand-painting on gleaming white porcelain.
